Each 'block' could be 30 mins- 1 hour long- you decide what works for you!

Try the following:

- *Mind Maps (using words and diagrams).*
- *Flash Cards (with key detail/key words)*
- *Key word post it notes*
- *Record yourself speaking, listen to it, then try and write everything you can remember*
- *Getting someone to test your knowledge*
- *Practice papers- use the link here to find them for each subject <http://www.fastpastpapers.com/>*
- *Use colour and diagrams if this helps you!*
- *Stick revision resources around your room/house if this helps!*

Remember: Revision should be active....if you are not active in the process....it won't work!

Good LUCK!!
