

GCSE Subject: EDUQAS GCSE ELECTRONICS

What revision is expected and where can revision resources be located:

The best form of revision for GCSE electronics is by practising past exam questions. We will work through all recent exam papers (and selected older questions) during our classroom-based revision lessons. These resources can be taken home for further revision and practice.

You can also go through the worked examples in the EDUQAS eBooks and repeat the eBook exercises.

Exam dates:

Thursday 8 May 2025 – component 1

Friday 16 May 2025 – component 2
