Option	JCQ Post-results service	Details of the service
1	RoR Service 1: Clerical re-check	This service will include the following checks: that all parts of the script have been marked, the totalling of marks and the recording of marks. Only Service 1 clerical re-checks can be requested for objective tests (multiple choice tests).
2	RoR Service 2: Review of marking	This is a post-results review of the original marking to ensure that the mark scheme has been applied correctly. Reviewers will not re-mark the script, they will only act to correct any errors identified in the original marking. This service will include the clerical re-checks detailed in Service 1 and a review of marking as described above.
2a	RoR Service 2 with post-review of marking copy of script	
2P	RoR Priority Service 2: Review of marking	
2Pa	RoR Priority Service 2 with post-review of marking copy of script	This is the same as Service 2 above but the review is conducted as a priority by the awarding body. This service is only available for all GCE A-level qualifications and GCSE Pearson only.
3	ATS: Priority copy of script to support review of marking	This is a priority service that ensures copies of scripts are returned in sufficient time to allow decisions to be made whether a non-priority review of marking (option 2) should be applied for before the deadline.
4	ATS: Copy of script to support teaching and learning	This is a non-priority service to request copies of scripts to support teaching and learning. <u>Once this has been ordered, you cannot then request a review of marking.</u>
