

History

Activity:

In Year 9 History we will be looking at how the democratic rights of people in the UK were fought for before contrasting this with a study of dictatorship under Hitler in Nazi Germany. It would be beneficial for you to spend some time doing an interactive activity put together by UK Parliament on the first petition for women to get the vote in 1866. The link to the activity is

here <https://learning.parliament.uk/resources/first-mass-petition-votes-for-women/> and should take you approximately 30 minutes to complete.

You should click the link to take you to the website and then to the blue button 'go to the resource to start the activity'.
