January 2022

To: Parents/Guardians of Year 10 students

Dear Parent/Guardian

Year 10 Consultation Evening

We would like to take this opportunity to invite you to the Subject Consultation Evenings on Thursday 13th January and Thursday 20th January 2022.

The first academic review of the year is now live on the portal. This review can be discussed with individual staff at the following Subject Consultation Evenings:

- **13th January** **Napier/Trenchard (BM, BZ, GC, SR and DD, GM, KE, SB)**
- **20th January** **Henning/Stratford (DS, EG, TB, WO and EM, GH, GW, SA)**

Following a successful trial last year, the school will be using SchoolCloud for online video appointments. This system allows you to choose your own appointment time and meet with your son/daughter's tutor remotely. To be able to participate in the consultation evening you will need a phone, tablet or laptop with internet access. One parent/guardian is able to make the appointment but a second parent/guardian can be invited to also attend the appointment on a separate device.

To help make the evening as smooth as possible please take time to read the guidance from School Cloud and where possible test your device before the appointments.

For more information on video appointments please see the guides on the school website or the links below:

When logging on to book your appointments please use your name as held by school records. The name of the primary contact must be used to access the booking system.

Use an email address you will be able to access on the evening. This does not have to be the email address held by school records. Your confirmation email will be sent to the email address you provide at the point of booking.

Use the confirmation email or appointment reminder to access your appointments. Your son/daughter's date of birth will be used as an identifier.

On the evening please ensure you are in an area with a good internet or 4g connection.

Yours faithfully
